Soon it will be St. Louis' turn to host the Hamilton musical. The U.S. Courts and the Judicial Learning Center are getting started early by hosting the Gilder Lehrman Institute of American History's traveling exhibition "**Alexander Hamilton – the Man Who Made Modern America.**" The exhibit will be displayed on the 3rd Floor of the Thomas F. Eagleton U.S. Courthouse this fall.

This engagement is free and open to the public, and group visits are available. The courthouse is open Mon-Fri, 8:00AM-5:30PM, excluding federal holidays.

Alexander Hamilton, one of America's most visionary founding fathers, is with us every day, not only in our wallets, on the \$10 bill, but also in the republic's most vital institutions.

The exhibition examines Hamilton's important role in the Revolutionary War and Founding period. More than any other founder, Hamilton foresaw the way we live now.
