*****I must have a final list of all adults for planning purposes. Thank you in advance.*****

Earning the Merit Badge:

Simply attending this event does not guarantee that you will earn the merit badge. Each Scout must meet all requirements as they are stated. Some of the requirements will need to be completed in advance, and turned in on the day of the workshop.

One or more of the instructors has been certified as a Citizenship in the Nation Merit Badge Counselor, and will sign off on the merit badge card. Each Scout must bring a merit badge card that has been signed by the Scoutmaster. Have Scout name and all other information already filled out. The card will be collected at check in. The Merit Badge Counselor will sign off only for requirements successfully completed.

If any requirements are incomplete after participation in this workshop, it will be up to the Scout to contact a Merit Badge Counselor on his own, to finish any requirements not completed before or during this workshop.

Each Scout should do the following, in advance of the workshop:

- Obtain the Citizenship in the Nation Merit Badge Pamphlet (pictured).
- Read the Pamphlet in advance, and bring it to the workshop.
- Read over all of the requirements for Citizenship in the Nation.
- Use the pages 5-10 of this handout to complete requirements 3, 6, and 8 in advance.
 - **PLEASE NOTE:** You may answer on my worksheets or on your own paper, but please **use the format I have outlined on pages 5-10 of this handout.** DO NOT use the worksheets available from other sources on the internet.
- Bring all of your work with you to the workshop. Or, **you may email your work to me in advance.** This is greatly appreciated whenever possible.
- We will complete requirements 1, 2a, 2c, 4, 5, and 7 at the workshop.

Successful completion of everything listed above will fulfill all Citizenship in the Nation Merit Badge requirements. Simply attending the workshop does not guarantee that you will earn the merit badge.

Do not wait until the last minute to begin working on the pre-requisite assignments, as several of them take days or even weeks to complete. You should get started on them right away, read everything carefully, and do a good job if you expect to earn the Badge.

I will accept typed or handwritten worksheets. I will also accept emailed worksheets in advance of July 3.
