Join the **United States Courts** and the **Judicial Learning Center** for this brand-new offering for teachers. Be prepared for the exam changes that go into effect this fall. This summer seminar will help teachers incorporate resources directed specifically at AP exam target goals for the judicial branch as well as civil rights and liberties.

The experience will include lessons to meet AP objectives on the judiciary as well as practical methods for incorporating the mandatory landmark U.S. Supreme Court cases.

This event is limited to 25 participants, and will be specifically for teachers of Advanced Placement U.S. Government and Politics. Teachers from schools considering adding this course may be placed on the waiting list and will be contacted if spots open up.

This event is FREE, but space is limited. Registration is required so that parking, meals, and materials can be provided at no cost to participants. Please register no later than June 29.
