

250th Birthday Party Hat

Instructions:

- 1 Print pages 2-5 double-sided.
1 Select “flip on short edge” when printing
- 2 Use scotch tape to tape the two pieces of paper together, with pages 2 & 4 facing up pointed at each other.
- 3 Fold the tape so that pages 3 & 5 face each other. Place the hat on a flat surface so that the dotted lines are facing up.
- 4 Fold on the dotted diagonal lines to make two flaps. You should now have a triangle.
- 5 Fold the straight dotted line to reveal the words on the underside of the flap. Flip the hat over and fold up the flap on the reverse side.
- 6 Fold or cut on the solid line to remove the excess paper.
- 7 Your hat is ready to decorate!
Write the rights and liberties that you are celebrating today. Color the hat red, white, and blue. Add a feather to make it even more dashing!
